

# Health Beverage Survey

---

Start of Block: Default Question Block

Q6

**Thank you for taking out the time to fill out our survey!**

**The following survey intends to gauge consumer's preferences on different attributes of a health oriented beverage. We are in the process of determining attributes for our new bottled water product and greatly appreciate your inputs on which attributes to include.**

**This survey consists of 16 combinations of attributes and it should take about 5 minutes to complete.**

*Please reach out to the following in case of any queries regarding the survey -*

*Arwen Wang (arwen.wang@duke.edu)*

*Kewei Jiang(kewei.jiang@duke.edu)*

*Kieu Anh Nguyen (kieuanh.nguyen@duke.edu)*

*Taru Dharra (taru.dharra@duke.edu)*

*Vedant Sahay (vedant.sahay@duke.edu)*

---
